# EXPERIENCES

**TEJASWI**  
**UNIVERSITY OF SOUTH FLORIDA**

Right after I finished my B.Pharmacy, I was planning to pursue a Master's degree in the U.S. Then I approached Indo Global Studies for proper guidance. They helped me score well in my IELTS exam and also helped me in finding out the best universities for my studies. I was able to apply for five universities and got admitted into three of them. Indo Global Studies is very quick in responding to queries. I am thankful for their hospitality and felt I was in right hands.
